# Renewable Energy for Africa & the Persian Gulf

## EVENT FORMAT AND OBJECTIVE

The exhibition & congress "Renewable Energy for Africa and the Persian Gulf" is an initiative of the company European Conference Management, born out of a desire to **support the internationalization of European companies in the renewable energies sector** by bringing them together with the respective decision makers of **African and the Persian Gulf** governments.

The event consists of a **congress** attended by industry decision makers, African and the Persian Gulf government officials & authorities and an **exhibition** that allows participating companies to present their products or services and hold meetings to establish partnerships.

## COUNTRIES TO BE INVITED

**Maghreb:** Algeria, Morocco and Tunisia

**Persian Gulf:** Saudi Arabia, Qatar, United Arab Emirates, Kuwait and Oman

**West Africa:** Cape Verde, Gambia, Ghana, Guinea Bissau, Guinea Conakry, Mali, Mauritania, Niger, Nigeria and Senegal
